CONTINUING EDUCATION PROGRAM

November 3, 1990

To Whom It May Concern:

If you are looking for a positive, professional and enthusiastic program, I recommend Donna Riley and her "Social Etiquette and Personal Development" sessions.

Ms. Riley is such a positive role model and sincerely loves what she is doing. She shares from her heart. Her skills are profound in that she has the ability to make each situation a positive learning experience, and the students leave having a much clearer concept of who they are and where he or she wants to go.

The Continuing Education Program has had such success with Donna Riley's course and I would recommend it for all youth. I have seen the self-pride and inner transformations that take place with the students after completing her course. Please give her your utmost consideration.

Sincerely,

Jamila Canady
